RISK FACTORS

The purpose of this section is to enable a potential investor to assess the relevant risks related to their potential investment in the Bonds in order to make an informed investment decision. The risk factors set forth below are therefore limited to risks that, in the meaning of Regulation (EU) 2017/1129, are material and specific to the Issuer, the Group or the Bonds.

The manner in which the Issuer, the Group or the Bonds are affected by each risk factor is illustrated by way of an evaluation of the materiality of the relevant risk factor based on the probability of it occurring and the expected magnitude of its negative impact, for the purpose of which the probability is estimated as “low”, “medium” or “high” and the magnitude of negative impact if it would occur as “low”, “medium” or “high”. Irrespective of the probability or magnitude of negative impact stated in relation to each risk factor, all risk factors included below have been assessed by the Issuer to be material and specific to the Issuer, the Group and the Bonds in the meaning of Regulation (EU) 2017/1129.

The most material risk factor in a category is presented first under that category, whereas subsequent risk factors in the same category are not ranked in order of materiality.

Risk factors specific and material to the Issuer and the Group

I. Risks related to the Group’s financial situation and investment activities

General macroeconomic conditions

The Group’s operations are subject to general macroeconomic risks in the countries and regions where the Group carries out business, mainly in Africa, the Middle East, Sweden and Denmark. Such risks include, but are not limited to, developments in gross domestic products, interest rate levels, demographic developments, inflation and deflation, changes in regulations (see under “*Political risks*” and “*Tax risk*”) and general difficulties in obtaining financing (or financing on terms acceptable to the Group (see also under “*Liquidity and financing risk*”) or its customers). There is a risk that such general economic, financial and political conditions at a global level and locally in the countries and regions where the Group operates will develop in a way that is adverse to the Group, especially should consumer spending relating to mobile phone use deteriorate, and such development could have a material negative impact on the Issuer’s operations, financial position and results.

Given the geographic spread of its customer base in over 60 countries (following the acquisition of Real Impact Analytics S.A. (“**Riaktr**”)), a materialisation of macroeconomic risks in relation to a specific country where the Group operates is medium to high. However, such risk materialisation would not necessarily affect the Issuer’s results of operation and financial position in a material manner or the impact, albeit material, would be low to medium. Should macroeconomic risks materialise significantly in several countries, whole regions or on a global scale, the negative impact on the financial results of the Issuer and the Group could be low to medium. The Issuer assesses the probability of such large-scale macroeconomic deterioration to be low to medium.

International capital flows

A significant part of the Group’s operations is carried out in emerging markets. Economic turmoil in an emerging market tends to have a negative effect on capital markets in other emerging markets and on the access to new capital for companies operating in such markets, as investors choose to redistribute their investment flows to more stable and developed markets. Financial problems or a perceived increased risk related to emerging markets may inhibit foreign investments in these markets and have a negative impact on the economies of these countries. Such economic downturn may have a material negative impact on the Issuer’s operations, financial position and results. The Issuer deems the probability of such risk occurring to be low to medium and the potential negative impact to be low to medium.

Liquidity and financing risk

The Bond proceeds have been used partly towards refinancing its existing debt and as at the date of this Prospectus Bonds represent all outstanding debt of the Issuer. However, the terms and conditions for the Bonds (the “**Terms and Conditions**”) allow the Issuer and the other Group Companies to incur certain new debt, notably a revolving credit facility of up to SEK 10,000,000 provided to the Issuer for working capital purposes of the Group.

There is a risk that the Issuer will not be able to repay debts upon due dates, particularly if the Group would not be able to generate sufficient cash flow from its operating activities as a result of materialisation of one or several risks specific and material to the Issuer and the Group, as outlined herein. The ability to obtain capital or financing through loans on favourable terms or at all depends on several factors beyond the Issuer’s control, including the current conditions in the international credit and capital markets. If the Issuer fails to repay or refinance its existing or future debt on acceptable terms or at all, or fails to meet its debt obligations, it may have a material negative impact on the Issuer’s financial position. The Issuer deems the probability of such risk materialising to be low and the potential negative impact to be medium to high.

Exposure to foreign currencies

The Issuer’s currency risks consists of transaction risk and translation risk. Transaction risk is the risk of negative impact on the Group’s results and cash flow as a result of the value of the currencies in which the Group’s income is denominated depreciating against the currencies in which the Group’s main expenses are denominated. Currently, the majority of the inflow payments to the Group are denominated in SEK and USD. For example, all payments from the Group’s African customers are currently made in USD. Meanwhile, the outflow payments from the Group are denominated in mainly in SEK, USD and EUR. The Group is particularly exposed to the risk that SEK depreciates against USD and EUR, or that USD depreciates against EUR. As of today, the Issuer has not entered into any foreign exchange rate hedging in relation to any currency. The Issuer deems the probability of material costs arising due to such transaction risk occurring to be low and the potential negative impact to be low.

The translation exposure consists of a risk when translating foreign Group Companies’ cash flows and assets into SEK (being the reporting currency of the Issuer). The majority of the Group’s cash flows and assets are attributable to foreign Group Companies. Such foreign Group Companies are situated in France and, following the acquisition of Riaktr, Belgium (EUR), India (USD) and Nigeria (USD). The Group is affected by the translation of foreign income statements and balance sheets to SEK. Since the exchange rates for foreign currencies fluctuates in relation to the SEK, there is a risk that future exchange rate changes may lead to a material negative impact on the Issuer’s financial position and results. The Issuer deems the probability of material costs arising due to such translation risk occurring to be low and the potential negative impact to be low.

Interest rate risk

Interest rate risk is the risk that the value of financial instruments varies due to changes in market interest rates. As of the date hereof, the Group has interest-bearing liabilities in the form of bank balances as well as loans from the board, management and from major shareholders. However, following the issuance of the Bonds and the subsequent refinancing of existing debt, the Group’s interest-bearing liabilities mainly consists of the Bonds and consequently, the Issuer’s interest rate exposure is towards STIBOR (see below under “*Interest rate risks and benchmarks*”). Changes in STIBOR and other market interest rates are affected by a number of factors that are beyond the Issuer’s control and an increase in interest rates that affect the Group can have a negative impact on the Issuer’s financial position and results of operations. The Issuer deems the probability of material interest cost increases due to an increased level of market interest rates risk occurring to be low and the potential negative impact to be low.

Acquisitions

The Issuer acquired Seamless Digital Distribution AB (“**SDD**”) in 2018 and eServGlobal Holding SAS (“**eServ**”) in 2019. Further, the Issuer acquired Riaktr on 7 May 2021. The Issuer has an explicit ambition to acquire other suitable companies and may consider further strategic acquisitions in the future. Acquisitions of companies are

associated with uncertainties and risks. These risks include, among other things, more or less known company-specific risks, a need for business financing and that customers or key personnel leave the acquired company after completion of the acquisition. Furthermore, growth through acquisitions may pose a risk due to difficulties in integrating operations, employees and technology and the expected synergies not being realized. There is also a risk that it may show that the Issuer's valuation of the acquired company is significantly higher than the market value or that the acquired company will not perform as expected. Such risks may have a material negative impact on the Issuer's operations, financial position and results. The Issuer deems the probability of such risks relating to acquisitions to be low and the potential negative impact to be low.

II. Risks relating to the Group's operations and markets

IT infrastructure

The Group's operations are dependent on its IT system operating without disruptions and with high accessibility for its customers. Major disruptions or failures in the Group's IT system would lead to negative consequences for the Group's operations. There is a risk the entire IT system, or parts of it, may be exposed to major disruptions and interruptions. The Issuer deems the probability of such major internal IT system failure to be low and the potential negative impact to be high.

In addition, the Group is dependent on services and technology provided by third parties for certain parts of its operations, in particular cloud solutions and certain other services provided by Google. An interruption or deterioration in the quality of such services would limit the Group's ability to successfully continue its operations, which may have a material negative impact on the Issuer's operations, financial position and results. The Issuer deems the probability of such failure in external IT systems to be low and the potential negative impact to be medium to high.

Dependency on major customers

Major groups of telecom companies are important customers for the Group. Mobile operators within the MTN group (being the largest telecom group in Africa) accounted for approximately 27 per cent. of the Group's turnover in 2020. The Group also has an exposure towards mobile operators within the Zain group and the Ooredoo group, both groups mainly active in the Middle East and North Africa regions, with a combined share of approximately 15–20 per cent. of the Group's 2020 sales. The Issuer has concluded agreements providing a framework for the procurement terms for contracts with individual mobile operators within the MTN group, the Zain Group and the Ooredoo Group, respectively. However, such framework agreements do not contain any commitment for the specific mobile operators within each group to purchase products and services from the Group and the terms for the Group's licenses and services, are provided in separate contracts with each mobile operator. The individual customer companies are thus free to replace the Issuer as a software and services supplier. If one or several of the above mentioned framework agreements were to be terminated, the demand for the Group's products and services could decrease, which could have a material negative impact on the Group's operations, financial position and results. The Issuer deems the probability of such risk occurring to be low and the potential negative impact to be medium to high.

Customer influx and sales

The Group is in an expansion phase and its core software technology for digital distribution and credit services has been introduced in several new geographic markets during a relatively short period of time. The success of the Group is dependent on the quality of its software and related services, generating customer influx and a high level of sales on the geographic markets which the Group enters into. There is a risk that the Group will not achieve the desired influx of customers or penetration in the markets where its systems and services are launched, which may have a material negative impact on the Issuer's operations, financial position and results. The Issuer deems the probability of such risk occurring to be low to medium and the potential negative impact to be low to medium.

Dependency on continued prepaid mobile usage

The Group's operations are to a large extent exposed to the mobile end customers' continued use of prepaid mobile telephone calls, SMS and data. Should the use of prepaid mobile traffic stagnate, it may have a material negative impact on the Company's operations, financial position and results. The Issuer deems the probability of such risk occurring to be low in the coming 5 years and the potential negative impact to be medium to high.

Technology development

In order to remain competitive, the Group must continue to research, develop and launch new products and services and increase and improve the functionality and features of existing products. There is a risk that the Group will not be able to research, develop and/or implement new technology or adapt its product range and business model in time to utilise new or existing technology. Any such failure could have a material negative impact on the Issuer's operations, financial position and results. The Issuer deems the probability of such risk relating to technology development occurring to be low and the potential negative impact to be medium.

The costs associated with monitoring technology development may be material and are affected by factors that are completely or partly outside the Issuer's control and that cannot be predicted. This entails that the level and timing of future operating costs and capital requirements to keep up with technology development may deviate significantly from current estimates. The ability to finance, or the decision not to finance, these costs may have a material negative impact on the Issuer's operations, financial position and results. The Issuer deems the probability of such risk relating to costs of technology development occurring to be low and the potential negative impact to be low to medium.

III. Legal, regulatory, reputational and internal control risk

Political risks

In some cases, the Group operates in politically unstable environments, which places high demands on adaptability and entails a risk with regard to, among other things, payment hedging, competence supply and distribution systems. Political sanctions or trade blockades against certain countries may also have a negative effect on the Group and lead to reduced turnover. International legislation on anti-money laundering and terrorist financing measures may also make it difficult for the Group to obtain payments from customers in certain countries who are subject of political concern as banks oppose to mediate payments from such areas, which may have a material negative impact on the Issuer's operations, financial position and results. The Issuer deems the probability of such risk materialising to be low to medium and the potential negative impact to be low to medium.

Tax risk

The Group is affected by the tax regulations in the countries where it operates. The tax situation is also affected by whether transactions between companies within the group are considered to be market-priced by tax authorities. Tax legislation and rules, as well as the interpretation and application of such legislation and rules, may change and the tax authorities of the countries concerned may render assessments and decisions that deviate from the Group's understanding or interpretation of the relevant tax regulatory framework. This may result in additional taxes being paid by the Group. Such tax increases could have a material negative impact on the Company's operations, results and financial position. The Issuer deems the probability of such material tax increase to be low and the potential negative impact to be low.

Disputes

The Group may be involved in legal proceedings from time to time. Larger and more complicated proceedings could be costly, time-consuming and resource-intensive and can disrupt normal business operations, particularly if a dispute would arise between a Group Company and a major customer or an IT services provider. There is also a risk that such legal proceedings, in the event of a negative outcome, may have a material negative impact on the Company's operations, financial positions and results. The Issuer deems the probability of material disputes arising to be low to medium and the potential negative impact to be low to medium.

IV. Social and governance risk

Dependency on key management personnel

The Issuer's key management personnel, have high levels of competence and long experience in areas relevant to the Group. The Issuer's ability to employ and retain such individuals depend on several factors, some of which are beyond the Issuer's control, including competition in the labour market. Any loss of a key management person could entail that crucial expertise is lost, that the Group's objectives cannot be achieved or that the implementation of the Group's business strategy is adversely affected. If key management personnel leave the Company or if the Group is unable to attract qualified personnel, it may have a material negative impact on the Issuer's operations, financial position and results. The Issuer deems the probability of such risk materialising to be low and the potential negative impact to be low to medium.

Internal control

Should the Group fail to correctly implement or apply routines for corporate governance and internal controls, there is a risk that the Group will not be able to deliver reliable financial information and effectively prevent fraud or other illegal use of the Group's products, services and resources. Notwithstanding the internal policies, guidelines and instructions issued by the Group, it is dependent of the honesty and diligence of individual employees. Inadequate and inefficient corporate governance or internal control as well as any fraud attempts against the Group may cause damage in the form of, for example, incorrect expenses, which could have a material negative impact on the Company's operations, financial position and results. The Issuer deems the probability of material cost increases or other material damage resulting from deficiencies in the internal control to be low and the potential negative impact to be low.

Risk factors specific and material to the Bonds

I. Risks related to the nature of the Bonds

Credit risk and refinancing risk

Investors in the Bonds assume a credit risk towards the Group. The Issuer's ability to service its debt under the Bonds and the payments to bondholders under the Terms and Conditions is dependent on the performance of the Group's operations and financial position. The Group's financial position and operations are affected by several factors, some of which have been mentioned above. An increased credit risk may cause the market to charge the Bonds a higher risk premium, which would have an adverse effect on the value of the Bonds. If the Group's operating income is not sufficient to service its current or future indebtedness, the Group will be forced to take actions such as reducing or delaying its business activities, acquisitions, investments or capital expenditures, selling assets, restructuring its debt or seeking additional equity capital. There is a risk that the Group will not be able to effect any of these remedies on satisfactory term or at all. Another aspect of credit risk is that a decline in the financial position of the Group may reduce the prospects of the Group to receive debt financing at the time of maturity of the Bonds.

The Group's ability to successfully refinance the Bonds is dependent on the conditions of the capital markets and the Group's financial position at the time such refinancing is carried out. In the event the Issuer is unable to refinance the Bonds or other outstanding debt, or if such financing can only be obtained on unfavourable terms, this could have a significant adverse effect on the Issuer's ability to repay the principal of the Bonds at maturity or upon an early redemption or repurchase of Bonds.

The Issuer deems the probability of the above described risks to be low and the potential negative impact to be high.

Security and guarantee arrangements

As continuing security for the due and punctual fulfilment of the Issuer's obligations under the Bonds, the Issuer and the relevant Group Companies shall pledge to the agent and the bondholders (represented by the agent) as first ranking security all their shares in each Material Group Company (as defined in the Term and Conditions) other

than the Issuer and any Material Group Company incorporated in an Excluded Jurisdiction. Furthermore, the Issuer will pledge any Material Intragroup Loan (as defined in the Term and Conditions) and certain Group Companies shall provide guarantees to the agent and the bondholders (represented by the agent).

Certain security for the Bonds has been or will be (as applicable) granted and perfected after the issue date and is consequently subject to applicable hardening periods and until such measures have been taken, the bondholders' security position may be limited.

The guarantees and the security for the Bonds, to the extent it relates to assets of subsidiaries of the Issuer, are limited in scope to comply with limitations on financial assistance, capital maintenance rules or similar restrictions under applicable law. Such guarantees and security may not be enforceable in the event of a default of the Issuer, or only be enforceable in part, which may limit the recovery to the bondholders. The security and guarantee provided by Riaktr do not cover the Issuer's obligations in relation to Bond proceeds applied towards the acquisition of Riaktr, since the granting of such security or guarantee would violate Belgian rules on financial assistance.

Most of the Group's R&D works are carried out in Seamless Private Limited ("SPL"), a wholly-owned subsidiary of the Issuer incorporated in India, and the Group operations are therefore dependent on SPL. However, there will be no security over the shares in SPL for the Bonds. Thus the shares in SPL and the assets of SPL are not directly, or indirectly, included in the security package for the Bonds. In an insolvency situation, the Bondholders will not be able to take control over SPL by way of enforcement of security and there is therefore a risk that the Group's operations will be terminated or disposed, even if it would be in the interest of the bondholders to continue such operations. In such case, the market value of the Group and the security held by the bondholders could be negatively affected, which in turn would have a negative impact on the price obtained in any enforcement sale.

Moreover, there is a risk that the proceeds from any enforcement of the security assets would not be sufficient to satisfy all amounts due on or in respect of the Bonds. For example, there is a risk that the security assets provide for only limited repayment of the Bonds, in part because such assets prove to be illiquid or less valuable to other persons than to the Group. There is also a risk that security assets will not be possible to sell in an enforcement proceeding, or, even if such sale is possible, that there will be delays in the realisation of the value of the security assets.

Any amount which is not recovered in an enforcement sale will constitute an unprioritised claim on the Issuer and the bondholders will normally receive payment for such claims after any priority creditors have been paid in full. Further, although the Terms and Conditions impose certain restrictions on which type of guarantees and security the Group Companies may provide, there are exemptions from such so-called negative pledge provisions, notably with respect to security provided in relation to any revolving credit facility in certain business mortgages issued by the Issuer in an amount up to SEK 10,000,000.

Each investor should be aware that there is a risk that an investor in the Bonds may lose all or part of their investment if the Issuer or the Group is declared bankrupt, carries out a reorganisation or is wound-up.

The Issuer deems the probability of the above described risks to be low and the potential negative impact to be high.

Dependence on subsidiaries

A significant part of the Group's assets and revenues relate to the Issuer's subsidiaries, in particular SDD, eServ and, following the acquisition of Riaktr, Riaktr. In order to make payments under the Bonds, the Issuer is dependent on the receipt of distributions from and payments for the Issuer's services rendered to subsidiaries. However, the Issuer's subsidiaries are legally separate and distinct from the Issuer and have no obligation, besides any guarantee entered into in relation to the Bonds, to pay amounts due with respect to the Issuer's obligations and commitments, including the Bonds, or to make funds available for such payments. The ability of the Issuer's subsidiaries to make such payments to the Issuer is subject to, among other things, the availability of funds and rules on financial assistance in the relevant jurisdictions in which the subsidiaries are incorporated.

Should the value of the business conducted in the subsidiaries decrease, and/or should the Issuer for any other reason not receive sufficient income from its subsidiaries, the investors' ability to receive payment under the Terms and Conditions may be adversely affected.

The Issuer deems the probability of the above described risks to be low and the potential negative impact to be low to medium.

Interest rate risks and benchmarks

The value of the Bonds depends on several factors, one of the most significant over time being the level of market interest. The Bonds bear interest at a floating rate of 3 month STIBOR plus a margin and the interest of the Bonds is determined two business days prior to the first day of each respective interest period. Hence the interest rate is to a certain extent adjusted for changes in the level of the general interest rate. There is a risk that an increase of the general interest rate level will adversely affect the value of the Bonds. The general interest level is to a high degree affected by the Swedish and the international development is outside of the Group's control (see above under "*Interest rate risk*"). The Issuer deems the probability of the above described risks to be low and the potential negative impact to be low to medium.

The determining of certain interest rate benchmarks, such as STIBOR has been subject to regulatory changes, the most comprehensive of which is the adoption and implementation of the Benchmark Regulation (Regulation (EU) 2016/1011 on indices used as benchmarks in financial instruments and financial contracts or to measure the performance of investment funds). The Benchmark Regulation came into force on the 1 January 2018. The Benchmark Regulation addresses the provision of benchmarks, the contribution of input data to benchmarks and the use of benchmarks within the European Union. The effect of the Benchmark Regulation cannot yet be fully determined due, among other things, to the limited time period that the regulation has been applicable. However there is a risk that the Benchmark Regulation will affect how certain benchmarks are determined and how they develop in the future. This could, for example, lead to increased volatility regarding some benchmarks. A further potential risk is that increased administrative requirements, and resulting regulatory risk, may discourage stakeholders from participating in the production of benchmarks, or that some benchmarks cease to be provided. If this would happen in respect of a benchmark that is used for the Bonds, such as STIBOR, it could potentially have negative effects for the bondholders. The Issuer deems the probability of such risk materialising to be low and the potential negative impact to be low.

II. Risks related to the admission of the Bonds to trading on a regulated market

Liquidity risks and secondary market

Pursuant to the Terms and Conditions, the Issuer shall ensure that the Initial Bonds and any Subsequent Bonds (each as defined in the Terms and Conditions) are admitted to trading on Nasdaq Stockholm or another regulated market within sixty (60) calendar days after the relevant issue date with an intention to complete such admission to trading within thirty (30) calendar days after the relevant issue date. Furthermore, if the Bonds have not been admitted to trading within sixty (60) days after the First Issue Date, a listing failure would occur, which gives the Bondholders an option to request that all, or only some, of its Bonds are repurchased.

There is a risk that the Bonds will not be admitted to trading within the aforementioned timeframe, or at all. If the Company fails to admit the Bonds to trading within thirty (30) calendar days in time, investors holding Bonds on an investment savings account (Sw. *investeringssparkonto*) will no longer be able to hold the Bonds on such account, thus affecting such investor's tax situation. If the Issuer fails to admit the Bonds to trading within sixty (60) calendar days, Bondholders may request that its Bonds are repurchased, which could adversely affect the secondary trading of the Bonds.

Even if the Bonds are admitted to trading, active trading in the securities may not always occur and thus, there can be no assurance that a liquid market for trading in the Bonds will exist or be maintained. Considering that the Bonds will be traded over-the-counter (OTC), there is a risk for a small volume of trades. If a liquid market for trading in

the Bonds will not exist or cannot be maintained, it may lead to Bondholders being unable to sell their Bonds when desired or at a price level which allows for a profit comparable to similar investments with an active and functioning secondary market, or can only sell their Bonds at a loss. Consequently, lack of liquidity in the market may have a negative impact on the market value of the Bonds.

It should also be noted that during a given time period it may be difficult or impossible to sell the Bonds (at all or at reasonable terms) due to, for example, severe price fluctuations, close down of the relevant market or trade restrictions imposed on the market.

The Company considers that the probability of the secondary trading in the Bonds being impacted as described above is low. If the effects would materialise, the Company considers the potential negative impact as medium.

6.2.4 For the purpose of exercising the rights of the Bondholders and the Agent under the Finance Documents and for the purpose of distributing any funds originating from the enforcement of any Transaction Security, the Issuer irrevocably authorises and empowers the Agent to act in the name of the Issuer, and on behalf of the Issuer, to instruct the CSD to arrange for payment to the Bondholders in accordance with Clause 6.2.2 above. To the extent permissible by law, the powers set out in this Clause 6.2.4 are irrevocable and shall be valid for as long as any Bonds remain outstanding. The Issuer shall immediately upon request by the Agent provide the Agent with any such documents, including a written power of attorney, which the Agent deems necessary for the purpose of carrying out its duties under Clause 17.3 (including as required by the CSD in order for the CSD to accept such payment instructions). Especially, the Issuer shall, upon the Agent's request, provide the Agent with a written power of attorney empowering the Agent to change the bank account registered with the CSD to a bank account in the name of the Agent and to instruct the CSD to pay out funds originating from an enforcement in accordance with Clause 6.2.2 above to the Bondholders through the CSD.

7. THE BONDS AND TRANSFERABILITY

- 7.1 Each Bondholder is bound by these Terms and Conditions without there being any further actions required to be taken or formalities to be complied with.
- 7.2 The Bonds are freely transferable. All Bond transfers are subject to these Terms and Conditions and these Terms and Conditions are automatically applicable in relation to all Bond transferees upon completed transfer.
- 7.3 Upon a transfer of Bonds, any rights and obligations under the Finance Documents relating to such Bonds are automatically transferred to the transferee.
- 7.4 No action is being taken in any jurisdiction that would or is intended to permit a public offering of the Bonds or the possession, circulation or distribution of any document or other material relating to the Issuer or the Bonds in any jurisdiction other than Sweden, where action for that purpose is required. Each Bondholder must inform itself about, and observe, any applicable restrictions to the transfer of material relating to the Issuer or the Bonds, (due to, *e.g.*, its nationality, its residency, its registered address or its place(s) of business). Each Bondholder must ensure compliance with such restrictions at its own cost and expense.
- 7.5 The Bonds have not been registered under the U.S. Securities Act of 1933, as amended (for the purpose of this Clause 7, the “**Securities Act**”) and the Issuer is under no obligation to arrange for registration of the Bonds under the Securities Act or under any other law or regulation. Bondholders are not permitted to transfer Bonds in the United States except (a) subject to an effective registration statement under the Securities Act, (b) to a person that the bondholder reasonably believes is a qualified institutional buyer within the meaning of Rule 144A (“**QIB**”) that is purchasing for its own account, or the account of another QIB, to whom notice is given that the resale, pledge or other transfer may be made in reliance on Rule 144A, (c) outside the United States in accordance with Regulation S under the Securities Act, (d) pursuant to an exemption from registration under the Securities Act provided by Rule 144 thereunder (if available) and (e) pursuant to any other available exemption from registration under the Securities Act, subject to the receipt by the Issuer of an opinion of counsel or such other evidence that the Issuer may reasonably require confirming that such sale or transfer is in compliance with the Securities Act.
- 7.6 For the avoidance of doubt and notwithstanding the above, a Bondholder which allegedly has purchased Bonds in contradiction to mandatory restrictions applicable may nevertheless utilise its voting rights under these Terms and Conditions and shall be entitled to exercise its full rights as a Bondholder hereunder in each case until such allegations have been resolved.

8. BONDS IN BOOK-ENTRY FORM

- 8.1 The Bonds will be registered for the Bondholders on their respective Securities Accounts and no physical Bonds will be issued. Accordingly, the Bonds will be registered in accordance with

the Central Securities Depositories and Financial Instruments Accounts Act. Registration requests relating to the Bonds shall be directed to an Account Operator.

- 8.2 Those who according to assignment, Security, the provisions of the Swedish Children and Parents Code (Sw. *föräldrabalken (1949:381)*), conditions of will or deed of gift or otherwise have acquired a right to receive payments in respect of a Bond shall register their entitlements to receive payment in accordance with the Central Securities Depositories and Financial Instruments Accounts Act .
- 8.3 The Issuer (and the Agent when permitted under the CSD's applicable regulations) shall be entitled to obtain information from the debt register (Sw. *skuldbok*) kept by the CSD in respect of the Bonds. At the request of the Agent, the Issuer shall promptly obtain such information and provide it to the Agent.
- 8.4 For the purpose of or in connection with any Bondholders' Meeting or any Written Procedure, the Issuing Agent shall be entitled to obtain information from the debt register kept by the CSD in respect of the Bonds. If the Agent does not otherwise obtain information from such debt register as contemplated under these Terms and Conditions, the Issuing Agent shall at the request of the Agent obtain information from the debt register and provide it to the Agent.
- 8.5 The Issuer shall issue any necessary power of attorney to such persons employed by the Agent, as notified by the Agent, in order for such individuals to independently obtain information directly from the debt register kept by the CSD in respect of the Bonds. The Issuer may not revoke any such power of attorney unless directed by the Agent or unless consent thereto is given by the Bondholders.
- 8.6 At the request of the Agent, the Issuer shall promptly instruct the Issuing Agent to obtain information from the debt register kept by the CSD in respect of the Bonds and provide it to the Agent.

9. RIGHT TO ACT ON BEHALF OF A BONDHOLDER

- 9.1 If any Person other than a Bondholder wishes to exercise any rights under the Finance Documents, it must obtain a power of attorney (or, if applicable, a coherent chain of powers of attorney), a certificate from the authorised nominee or other sufficient proof of authorisation for such Person.
- 9.2 A Bondholder may issue one or several powers of attorney to third parties to represent it in relation to some or all of the Bonds held by it. Any such representative may act independently under the Finance Documents in relation to the Bonds for which such representative is entitled to represent the Bondholder and may further delegate its right to represent the Bondholder by way of a further power of attorney.
- 9.3 The Agent shall only have to examine the face of a power of attorney or other proof of authorisation that has been provided to it pursuant to Clause 9.1 and 9.2 and may assume that it has been duly authorised, is valid, has not been revoked or superseded and that it is in full force and effect, unless otherwise is apparent from its face.

10. PAYMENTS IN RESPECT OF THE BONDS

- 10.1 Any payment or repayment under the Finance Documents, or any amount due in respect of a repurchase of any Bonds, shall be made to such Person who is registered as a Bondholder on the Record Date prior to the relevant payment date, or to such other Person who is registered with the CSD on such date as being entitled to receive the relevant payment, repayment or repurchase amount.
- 10.2 If a Bondholder has registered, through an Account Operator, that principal, Interest and any other payment that shall be made under these Terms and Conditions shall be deposited in a certain bank account; such deposits will be effectuated by the CSD on the relevant payment date. In other cases, payments will be transferred by the CSD to the Bondholder at the address registered with the CSD on the Record Date. Should the CSD, due to a delay on behalf of the Issuer or some other obstacle, not be able to effectuate payments as aforesaid, the Issuer shall procure that such amounts are paid to the Persons who are registered as Bondholders on the relevant Record Date as soon as possible after such obstacle has been removed.
- 10.3 If, due to any obstacle for the CSD, the Issuer cannot make a payment or repayment, such payment or repayment may be postponed until the obstacle has been removed. Interest shall accrue in accordance with Clause 11.4 during such postponement.
- 10.4 If payment or repayment is made in accordance with this Clause 10, the Issuer and the CSD shall be deemed to have fulfilled their obligation to pay, irrespective of whether such payment was made to a Person not entitled to receive such amount, unless the Issuer or the CSD (as applicable) was aware that the payment was being made to a Person not entitled to receive such amount.
- 10.5 The Issuer shall pay any stamp duty and other public fees accruing in connection with the Initial Bond Issue or any Subsequent Bond Issue, but not in respect of trading in the secondary market (except to the extent required by applicable law), and shall deduct at source any applicable withholding tax payable pursuant to law. The Issuer shall not be liable to reimburse any stamp duty or public fee or to gross-up any payments under these Terms and Conditions by virtue of any withholding tax, public levy or similar.

11. INTEREST

- 11.1 The Initial Bonds will bear Interest at the Interest Rate applied to the Nominal Amount from, but excluding, the First Issue Date up to and including the relevant Redemption Date. Any Subsequent Bond will carry Interest at the Interest Rate from, but excluding, the Interest Payment Date falling immediately prior to its issuance (or the First Issue Date if there is no such Interest Payment Date) up to and including the relevant Redemption Date
- 11.2 Interest accrues during an Interest Period. Payment of Interest in respect of the Bonds shall be made quarterly in arrears to the Bondholders on each Interest Payment Date for the preceding Interest Period.
- 11.3 Interest shall be calculated on the basis of the actual number of days in the interest period in respect of which payment is being made divided by 360 (actual/360)).

- 11.4 If the Issuer fails to pay any amount payable by it under these Terms and Conditions on its due date, default interest shall accrue on the overdue amount from, but excluding, the due date up to and including the date of actual payment at a rate which is two hundred (200) basis points higher than the Interest Rate. Accrued default interest shall not be capitalised. No default interest shall accrue where the failure to pay was solely attributable to the Agent or the CSD, in which case the Interest Rate shall apply instead.

12. REDEMPTION AND REPURCHASE OF THE BONDS

12.1 Redemption at maturity

The Issuer shall redeem all, but not only some, of the Bonds in full on the Final Redemption Date (or, to the extent such day is not a Business Day and if permitted under the CSD's applicable regulations, on the Business Day following from an application of the Business Day Convention, and otherwise on the first following Business Day) with an amount per Bond equal to the Nominal Amount together with accrued but unpaid Interest.

12.2 The Group's purchase of Bonds

Each Group Company may, subject to applicable law, at any time and at any price purchase Bonds. Bonds held by a Group Company may at such Group Company's discretion be retained or sold but not cancelled, except in connection with a redemption of the Bonds in full.

12.3 Early voluntary total redemption by the Issuer (call option)

- 12.3.1 The Issuer may redeem all, but not some only, of the Bonds on any Business Day before the Final Redemption Date at the Call Option Amount together with accrued but unpaid Interest.

Upon expiry of such notice and the fulfilment of the conditions precedent (if any), the Issuer is bound to redeem the Bonds in full at the applicable amounts.

12.4 Early redemption due to illegality (call option)

- 12.4.1 The Issuer may redeem all, but not some only, of the outstanding Bonds at an amount per Bond equal to the Nominal Amount together with accrued but unpaid Interest on a Redemption Date determined by the Issuer if it is or becomes unlawful for the Issuer to perform its obligations under the Finance Documents.

- 12.4.2 The applicability of Clause 12.4.1 shall be supported by a legal opinion issued by a reputable law firm.

- 12.4.3 The Issuer may give notice of redemption pursuant to Clause 12.4.1 no later than twenty (20) Business Days after having received actual knowledge of any event specified therein (after which time period such right shall lapse). The notice from the Issuer is irrevocable, shall specify the Redemption Date and also the Record Date on which a Person shall be registered as a

Bondholder to receive the amounts due on such Redemption Date. The Issuer is bound to redeem the Bonds in full at the applicable amount on the specified Redemption Date.

12.5 Mandatory repurchase due to a Change of Control, a De-listing Event or a Listing Failure Event (put option)

12.5.1 Upon a Change of Control Event, a De-listing Event or a Listing Failure Event occurring, each Bondholder shall have the right to request that all or only some of its Bonds are repurchased (whereby the Issuer shall have the obligation to repurchase such Bonds) at a price per Bond equal to 101.00 per cent. of the Nominal Amount (plus accrued and unpaid interest) during a period of fifteen (15) calendar days following the notice of the relevant event (exercise period).

12.5.2 The notice from the Issuer pursuant to paragraph (b) of Clause 13.3 (*Miscellaneous*) shall specify the repurchase date and include instructions about the actions that a Bondholder needs to take if it wants Bonds held by it to be repurchased. If a Bondholder has so requested, and acted in accordance with the instructions in the notice from the Issuer, the Issuer, or a Person designated by the Issuer, shall repurchase the relevant Bonds and the repurchase amount shall fall due on the repurchase date specified in the notice given by the Issuer pursuant to paragraph (b) of Clause 13.3 (*Miscellaneous*). The repurchase date must fall no later than twenty (20) Business Days after the end of the period referred to in Clause 12.5.1.

12.5.3 The Issuer shall comply with the requirements of any applicable securities laws or regulations in connection with the repurchase of Bonds. To the extent that the provisions of such laws and regulations conflict with the provisions in this Clause 12.5, the Issuer shall comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Clause 12.5 by virtue of the conflict.

12.5.4 The Issuer shall not be required to repurchase any Bonds pursuant to this Clause 12.5, if a third party in connection with the occurrence of a Change of Control Event, a De-listing Event or a Listing Failure Event offers to purchase all Bonds in the manner and on the terms set out in this Clause 12.5 (or on terms more favourable to the Bondholders) and purchases all Bonds validly tendered in accordance with such offer. If Bonds tendered are not purchased within the time limits stipulated in this Clause 12.5, the Issuer shall repurchase any such Bonds within five (5) Business Days after the expiry of the time limit.

12.5.5 No repurchase of Bonds pursuant to this Clause 12.5 shall be required if the Issuer has given notice of a redemption pursuant to Clause 12.4 (*Early redemption due to illegality (call option)*) provided that such redemption is duly exercised.

12.5.6 Any Bonds repurchased by the Issuer pursuant to this Clause 12.5 may at the Issuer's discretion be retained or sold, but not cancelled except in connection with a redemption of the Bonds in full in accordance with Clause 12.2 (*The Group's purchase of Bonds*).

12.6 Mandatory redemption due to failure to fulfil the Conditions Precedent

12.6.1 If the Issuer has not within sixty (60) days from the First Issue Date fulfilled the Conditions Precedent set out in Clause 5.2 (*Conditions Precedent for disbursement of the Acquisition Amount*) and provided evidence, satisfactorily to the Agent, that the Acquisition has been completed, the Issuer shall redeem all Bonds at 101.00 per cent. of the Nominal Amount together

with any accrued but unpaid Interest. The Net Proceeds held on the Escrow Account shall in such case be applied to redeem the Bonds on behalf of the Issuer. Any shortfall shall be covered by the Issuer.

- 12.6.2 The Redemption Date must fall no later than twenty (20) Business Days after the end of the period referred to in Clause 12.6.1 and be made by the Issuer giving not less than ten (10) Business Days' notice to the Bondholders and the Agent, where such notice shall state the relevant Redemption Date, the redemption amount and the relevant Record Date.

13.2 Compliance Certificate

- (b) if provided in connection with the testing of the Incurrence Test and/or Maintenance Test, that the Incurrence Test and/or Maintenance Test (as applicable) is met and

including calculations and figures in respect of the Incurrence Test and/or Maintenance Test (as applicable); and

14. **FINANCIAL COVENANTS**

14.1 **Maintenance Test**

- (a) 4.50:1 from the First Issue Date until (and including) the first anniversary of the First Issue Date;
- (b) 4.25:1 from the first anniversary of the First Issue Date until (and including) the second anniversary of the First Issue Date; and
- (c) 4.00:1 from the second anniversary of the First Issue Date until (and including) the Final Redemption Date.

14.1.2 The Maintenance Test shall be tested quarterly on the basis of the interim Financial Statement for the period covered by the relevant Reference Date on the basis of the Compliance Certificate delivered in connection therewith. The first Reference Date for the Maintenance Test shall be 30 June 2021. The Consolidated EBITDA shall be adjusted in accordance with the Calculation Principles.

14.2 **Incurrence Test**

14.2.1 The Incurrence Test is met if the Leverage Ratio is less than 2.50:1 and no Event of Default is continuing or would occur upon the relevant incurrence.

14.2.2 The calculation of the Leverage Ratio shall be made as per a testing date determined by the Issuer, falling no more than three (3) months prior to the incurrence of the new Financial Indebtedness. The Net Interest Bearing Debt shall be measured on the relevant testing date so determined, but include the new Financial Indebtedness provided it is an interest bearing obligation (however, any cash balance resulting from the incurrence of the new Financial Indebtedness shall not reduce Net Interest Bearing Debt).

14.3 Calculation Principles

14.3.1 The figures for Consolidated EBITDA for the Reference Period ending on the last day of the period covered by the most recent Financial Statements shall be used for the Incurrence Test (and, for the avoidance of doubt, for the Maintenance Test, however only in respect of paragraphs (a) and (b) below), but adjusted so that:

- (a) the consolidated earnings before interest, tax, depreciation and amortisation (calculated on the same basis as Consolidated EBITDA and including any group contributions (as applicable)) of any entities acquired by the Group during the Reference Period, or after the end of the Reference Period but before the relevant testing date, shall be included, *pro forma*, for the entire Reference Period;
- (b) the consolidated earnings before interest, tax, depreciation and amortisation (calculated on the same basis as Consolidated EBITDA and including any group contributions (as applicable)) of any entities disposed of by the Group during the Reference Period, or after the end of the Reference Period but before the relevant testing date, shall be excluded, *pro forma*, for the entire Reference Period; and
- (c) the consolidated earnings before interest, tax, depreciation and amortisation (calculated on the same basis as Consolidated EBITDA and including any group contributions (as applicable)) of any entity to be acquired with the proceeds of new Financial Indebtedness shall be included, *pro forma*, for the entire Reference Period.

14.3.2 The figures for Net Interest Bearing Debt for the Reference Period ending on the last day of the period covered by the most recent Financial Statements shall be used for the Incurrence Test (as applicable), but shall be:

- (a) reduced to reflect any Net Interest Bearing Debt attributable to a disposed entity or which has been repaid, repurchased or otherwise discharged as a result of or in connection with a disposal of an entity (to the extent such Net Interest Bearing Debt is included in the relevant financial statements);
- (b) increased on a *pro forma* basis by an amount equal to the Net Interest Bearing Debt directly attributable to (i) any Financial Indebtedness owed by acquired entities, and (ii) any Financial Indebtedness incurred to finance the acquisition of entities, in each case calculated as if all such debt had been incurred at the beginning of the relevant test period;
- (c) decreased on a *pro forma* basis by the amount of any Financial Indebtedness to be refinanced with the proceeds of the debt incurred; and
- (d) increased on a *pro forma* basis by an amount equal to the Net Interest Bearing Debt directly attributable to any Financial Indebtedness incurred, calculated as if such debt had been incurred at the beginning of the relevant Reference Period,

however, any cash balance resulting from the incurrence of the new Financial Indebtedness shall not reduce Net Interest Bearing Debt.

- (a) It is or becomes impossible or unlawful for an Obligor to fulfil or perform any of the provisions of these Terms and Conditions which has a detrimental effect on the interests of the Bondholders or if the obligations under these Terms and Conditions are not, or cease to be, legal, valid, binding and enforceable.
- (b) No Event of Default will occur under this Clause 16.8 due to illegality of the Issuer to perform its obligations under the Finance Documents:
 - (i) until expiry of the period for notice of redemption pursuant to Clause 12.4 (*Early redemption due to illegality (call option)*); and
 - (ii) if the Issuer has given notice of a redemption pursuant to Clause 12.4 (*Early redemption due to illegality (call option)*) and provided that such redemption is duly exercised.

16.9 **Cessation of business**

A Material Group Company ceases to carry on its business and such discontinuation is likely to have a Material Adverse Effect.

16.10 **Termination**

- 16.10.1 If an Event of Default has occurred and is continuing the Agent is entitled to, and shall following a demand in writing from a Bondholder (or Bondholders) representing at least 50.00 per cent. of the Adjusted Nominal Amount (such demand may only be validly made by a Person who is a Bondholder on the second Business Day following the day on which the demand is received by the Agent and shall, if made by several Bondholders, be made by them jointly) or following an instruction or decision pursuant to Clause 16.10.6 or 16.10.7, on behalf of the Bondholders, terminate the Bonds and to declare all, but not only some, of the Bonds due for payment immediately or at such later date as the Agent determines (such later date not falling later than twenty (20) Business Days from the date on which the Agent made such declaration).
- 16.10.2 The Agent may not terminate the Bonds in accordance with Clause 16.10.1 by reference to a specific Event of Default if it is no longer continuing or if it has been decided, in accordance with these Terms and Conditions, to waive such Event of Default (temporarily or permanently). However, if a moratorium occurs, the ending of that moratorium will not prevent termination for payment prematurely on the ground mentioned under Clause 16.10.1.
- 16.10.3 If the right to terminate the Bonds is based upon a decision of a court of law or a government authority, it is not necessary that the decision has become enforceable under law or that the period of appeal has expired in order for cause of termination to be deemed to exist.

- 16.10.4 The Issuer is obliged to inform the Agent immediately if any circumstance of the type specified in Clause 16.10.1 should occur. Should the Agent not receive such information, the Agent is entitled to assume that no such circumstance exists or can be expected to occur, provided that the Agent does not have knowledge of such circumstance. The Agent is under no obligations to make any investigations relating to the circumstances specified in Clause 16.10.1. The Issuer shall further, at the request of the Agent, provide the Agent with details of any circumstances referred to in Clause 16.10.1 and provide the Agent with all documents that may be of significance for the application of this Clause 16.
- 16.10.5 The Issuer is only obliged to inform the Agent according to Clause 16.10.4 if informing the Agent would not conflict with any statute or the Issuer's registration contract with the relevant Regulated Market. If such a conflict would exist pursuant to the listing contract with the relevant Regulated Market or otherwise, the Issuer shall however be obliged to either seek the approval from the relevant Regulated Market or undertake other reasonable measures, including entering into a non-disclosure agreement with the Agent, in order to be able to timely inform the Agent according to Clause 16.10.4.
- 16.10.6 If the Agent has been notified by the Issuer or has otherwise received actual knowledge that there is a default under the Finance Documents according to Clause 16.10.1, the Agent shall (i) notify, within five (5) Business Days of the day of notification or actual knowledge, the Bondholders of the default and (ii) decide, within twenty (20) Business Days of the day of notification or actual knowledge, if the Bonds shall be declared terminated. If the Agent has decided not to terminate the Bonds, the Agent shall, at the earliest possible date, notify the Bondholders that there exists a right of termination and obtain instructions from the Bondholders according to the provisions in Clause 18 (*Decisions by Bondholders*). If the Bondholders vote in favour of termination and instruct the Agent to terminate the Bonds, the Agent shall promptly declare the Bonds terminated. However, if the cause for termination according to the Agent's appraisal has ceased before the termination, the Agent shall not terminate the Bonds. The Agent shall in such case, at the earliest possible date, notify the Bondholders that the cause for termination has ceased. The Agent shall always be entitled to take the time necessary to consider whether an occurred event constitutes an Event of Default.
- 16.10.7 If the Bondholders, without any prior initiative to decision from the Agent or the Issuer, have made a decision regarding termination in accordance with Clause 18 (*Decisions by Bondholders*), the Agent shall promptly declare the Bonds terminated. The Agent is however not liable to take action if the Agent considers cause for termination not to be at hand, unless the instructing Bondholders agree in writing to indemnify and hold the Agent harmless from any loss or liability and, if requested by the Agent in its discretion, grant sufficient security for such indemnity.
- 16.10.8 If the Bonds are declared due and payable in accordance with the provisions in this Clause 16, the Agent shall take every reasonable measure necessary to recover the amounts outstanding under the Bonds.
- 16.10.9 For the avoidance of doubt, the Bonds cannot be terminated and become due for payment prematurely according to this Clause 16 without relevant decision by the Agent or following instructions from the Bondholders' pursuant to Clause 18 (*Decisions by Bondholders*).

16.10.10 If the Bonds are declared due and payable in accordance with this Clause 16, the Issuer shall redeem all Bonds with an amount per Bond equal to the applicable Call Option Amount for the relevant period, provided however that paragraph (b) in the definition of “Call Option Amount” shall apply during the period up until the First Call Date, in each case plus accrued and unpaid interest.

17. DISTRIBUTION OF PROCEEDS

17.1 All payments by the Issuer relating to the Bonds and the Finance Documents following a termination of the Bonds in accordance with Clause 16 (*Termination of the Bonds*) and any proceeds received from an enforcement of the Transaction Security shall be made and/or distributed in the following order or priority:

- (a) *firstly*, in or towards payment *pro rata* of (i) all unpaid fees, costs, expenses and indemnities payable by the Issuer to the Agent, (ii) other costs, expenses and indemnities relating to the acceleration of the Bonds or the protection of the Bondholders’ rights, (iii) any non-reimbursed costs incurred by the Agent for external experts, and (iv) any non-reimbursed costs and expenses incurred by the Agent in relation to a Bondholders’ meeting or a written procedure;
- (b) *secondly*, in or towards payment *pro rata* of accrued but unpaid interest under the Bonds (interest due on an earlier Interest Payment Date to be paid before any interest due on a later Interest Payment Date);
- (c) *thirdly*, in or towards payment *pro rata* of any unpaid principal under the Bonds; and
- (d) *fourthly*, in or towards payment *pro rata* of any other costs or outstanding amounts unpaid under these Terms and Conditions.

Any excess funds after the application of proceeds in accordance with (a) to (d) above shall be paid to the Issuer.

17.2 If a Bondholder or another party has paid any fees, costs, expenses or indemnities referred to in Clause 17.1(a), such Bondholder or other party shall be entitled to reimbursement by way of a corresponding distribution in accordance with Clause 17.1(a)

17.3 Funds that the Agent receives (directly or indirectly) on behalf of Secured Parties in connection with the termination of the Bonds or the enforcement of any or all of the Transaction Security constitute escrow funds (Sw. *redovisningsmedel*) according to the Escrow Funds Act (Sw. *lag (1944:181) om redovisningsmedel*) and must be held on a separate interest bearing account on behalf of the Secured Parties. The Agent shall promptly arrange for payments to be made to the Bondholders in such case. The Agent shall arrange for payments of such funds in accordance with this Clause 17 as soon as reasonably practicable. If the Agent deems it appropriate, it may, in accordance with this Clause 17.3, instruct the CSD to arrange for payment to the Bondholders.

17.4 If the Issuer or the Agent shall make any payment under this Clause 17, the Issuer or the Agent, as applicable, shall notify the Bondholders of any such payment at least fifteen (15) Business Days before the payment is made. Such notice shall specify the Record Date, the payment date

and the amount to be paid. Notwithstanding the foregoing, for any Interest due but unpaid the Record Date specified in Clause 10.1 shall apply.

18. DECISIONS BY BONDHOLDERS

18.1 A request by the Agent for a decision by the Bondholders on a matter relating to the Finance Documents shall (at the option of the Agent) be dealt with at a Bondholders' Meeting or by way of a Written Procedure.

18.2 Any request from the Issuer or a Bondholder (or Bondholders) representing at least 10.00 per cent. of the Adjusted Nominal Amount (such request may only be validly made by a Person who is a Bondholder on the Business Day immediately following the day on which the request is received by the Agent and shall, if made by several Bondholders, be made by them jointly) for a decision by the Bondholders on a matter relating to the Finance Documents shall be directed to the Agent and dealt with at a Bondholders' Meeting or by way of a Written Procedure, as determined by the Agent. The Person requesting the decision may suggest the form for decision making, but if it is in the Agent's opinion more appropriate that a matter is dealt with at a Bondholders' Meeting than by way of a Written Procedure, it shall be dealt with at a Bondholders' Meeting.

18.3 The Agent may refrain from convening a Bondholders' Meeting or instigating a Written Procedure if (i) the suggested decision must be approved by any Person in addition to the Bondholders and such Person has informed the Agent that an approval will not be given, or (ii) the suggested decision is not in accordance with applicable laws.

18.4 Only a Person who is, or who has been provided with a power of attorney or other proof of authorisation pursuant to Clause 9 (*Right to act on behalf of a Bondholder*) from a Person who is, registered as a Bondholder:

- (a) on the Record Date prior to the date of the Bondholders' Meeting, in respect of a Bondholders' Meeting, or
- (b) on the Business Day specified in the communication pursuant to Clause 20.3, in respect of a Written Procedure,

may exercise voting rights as a Bondholder at such Bondholders' Meeting or in such Written Procedure, provided that the relevant Bonds are included in the definition of Adjusted Nominal Amount.

18.5 The following matters shall require consent of Bondholders representing at least two thirds ($\frac{2}{3}$) of the Adjusted Nominal Amount for which Bondholders are voting at a Bondholders' Meeting or for which Bondholders reply in a Written Procedure in accordance with the instructions given pursuant to Clause 20.3:

- (a) waive a breach of or amend an undertaking set out in Clause 15 (*General undertakings*);
- (b) except as expressly regulated elsewhere in the relevant Finance Document, release any Transaction Security, in whole or in part;

- (d) a change of issuer or an extension of the tenor of the Bonds;
 - (e) reduce the principal amount, Interest Rate or Interest which shall be paid by the Issuer;
 - (f) amend any payment day for principal or Interest or waive any breach of a payment undertaking; or
 - (g) amend the provisions in this Clause 18.5 or Clause 18.6.
- 18.6 Any matter not covered by Clause 18.5 shall require the consent of Bondholders representing more than 50.00 per cent. of the Adjusted Nominal Amount for which Bondholders are voting at a Bondholders' Meeting or for which Bondholders reply in a Written Procedure in accordance with the instructions given pursuant to Clause 20.3. This includes, but is not limited to, any amendment to or waiver of the terms of any Finance Documents that does not require a higher majority (other than an amendment permitted pursuant to paragraph (a), (b) or (c) of Clause 21.1), or a termination of the Bonds or the enforcement of the Transaction Security in whole or in part.
- 18.7 Quorum at a Bondholders' Meeting or in respect of a Written Procedure only exists if a Bondholder (or Bondholders) representing at least 20.00 per cent. of the Adjusted Nominal Amount in case of a majority decision, or 50.00 per cent., in case of a decision requiring qualified majority,:
- (a) if at a Bondholders' Meeting, attend the meeting in person or by telephone conference (or appear through duly authorised representatives); or
 - (b) if in respect of a Written Procedure, reply to the request.
- 18.8 If a quorum does not exist at a Bondholders' Meeting or in respect of a Written Procedure, the Agent or the Issuer shall convene a second Bondholders' Meeting (in accordance with Clause 19.1) or initiate a second Written Procedure (in accordance with Clause 20.1), as the case may be, provided that the relevant proposal has not been withdrawn by the Person(s) who initiated the procedure for Bondholders' consent. The quorum requirement in Clause 18.7 shall not apply to such second Bondholders' Meeting or Written Procedure.
- 18.9 Any decision which extends or increases the obligations of the Issuer or the Agent, or limits, reduces or extinguishes the rights or benefits of the Issuer or the Agent, under the Finance Documents shall be subject to the Issuer's or the Agent's consent, as appropriate.
- 18.10 A Bondholder holding more than one Bond need not use all its votes or cast all the votes to which it is entitled in the same way and may in its discretion use or cast some of its votes only.
- 18.11 The Issuer may not, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Bondholder for or as inducement to any consent under the Finance Documents, unless such consideration is offered to all Bondholders that consent at the relevant Bondholders' Meeting or in a Written Procedure within the time period stipulated for the consideration to be payable or the time period for replies in the Written Procedure, as the case may be.
- 18.12 A matter decided at a duly convened and held Bondholders' Meeting or by way of Written Procedure is binding on all Bondholders, irrespective of them being present or represented at the Bondholders' Meeting or responding in the Written Procedure. The Bondholders that have

not adopted or voted for a decision shall not be liable for any damages that this may cause other Bondholders.

- 18.13 All costs and expenses incurred by the Issuer or the Agent for the purpose of convening a Bondholders' Meeting or for the purpose of carrying out a Written Procedure, including reasonable fees to the Agent, shall be paid by the Issuer.
- 18.14 If a decision shall be taken by the Bondholders on a matter relating to the Finance Documents, the Issuer shall promptly at the request of the Agent provide the Agent with a certificate specifying the number of Bonds owned by Group Companies or (to the knowledge of the Issuer) their Affiliates, irrespective of whether such Person is directly registered as owner of such Bonds. The Agent shall not be responsible for the accuracy of such certificate or otherwise be responsible to determine whether a Bond is owned by a Group Company or an Affiliate of a Group Company.
- 18.15 Information about decisions taken at a Bondholders' Meeting or by way of a Written Procedure shall promptly be sent by notice to the Bondholders and published on the websites of the Issuer and the Agent, provided that a failure to do so shall not invalidate any decision made or voting result achieved. The minutes from the relevant Bondholders' Meeting or Written Procedure shall at the request of a Bondholder be sent to it by the Issuer or the Agent, as applicable.

19. BONDHOLDERS' MEETING

- 19.1 The Agent shall convene a Bondholders' Meeting by sending a notice thereof to each Bondholder no later than five (5) Business Days after receipt of a request from the Issuer or the Bondholder(s) (or such later date as may be necessary for technical or administrative reasons). If the Bondholders' Meeting has been requested by the Bondholder(s), the Agent shall send a copy of the notice to the Issuer.
- 19.2 Should the Issuer want to replace the Agent, it may convene a Bondholders' Meeting in accordance with Clause 19.1 with a copy to the Agent. After a request from the Bondholders pursuant to Clause 22.5.3, the Issuer shall no later than five (5) Business Days after receipt of such request (or such later date as may be necessary for technical or administrative reasons) convene a Bondholders' Meeting in accordance with Clause 19.1.
- 19.3 The notice pursuant to Clause 19.1 shall include:
- (a) the time for the meeting;
 - (b) the place for the meeting;

Only matters that have been included in the notice may be resolved upon at the Bondholders' Meeting. Should prior notification by the Bondholders be required in order to attend the Bondholders' Meeting, such requirement shall be included in the notice.

- 19.4 The Bondholders' Meeting shall be held no earlier than ten (10) Business Days and no later than twenty (20) Business Days from the notice.
- 19.5 If the Agent, in breach of these Terms and Conditions, has not convened a Bondholders' Meeting within five (5) Business Days after having received such notice, the requesting Person may convene the Bondholders' Meeting itself. If the requesting Person is a Bondholder, the Issuer shall upon request from such Bondholder provide the Bondholder with necessary information from the register kept by the CSD and, if no Person to open the Bondholders' Meeting has been appointed by the Agent, the meeting shall be opened by a Person appointed by the requesting Person.
- 19.6 At a Bondholders' Meeting, the Issuer, the Bondholders (or the Bondholders' representatives/proxies) and the Agent may attend along with each of their representatives, counsels and assistants. Further, the directors of the board, the managing director and other officials of the Issuer and the Issuer's auditors may attend the Bondholders' Meeting. The Bondholders' Meeting may decide that further individuals may attend. If a representative/proxy shall attend the Bondholders' Meeting instead of the Bondholder, the representative/proxy shall present a duly executed proxy or other document establishing its authority to represent the Bondholder.
- 19.7 Without amending or varying these Terms and Conditions, the Agent may prescribe such further regulations regarding the convening and holding of a Bondholders' Meeting as the Agent may deem appropriate. Such regulations may include a possibility for Bondholders to vote without attending the meeting in person.

20. WRITTEN PROCEDURE

- 20.1 The Agent shall instigate a Written Procedure (which may be conducted electronically) no later than five (5) Business Days after receipt of a request from the Issuer or the Bondholder(s) (or such later date as may be necessary for technical or administrative reasons) by sending a communication to each such Person who is registered as a Bondholder on the Business Day prior to the date on which the communication is sent. If the Written Procedure has been requested by the Bondholder(s), the Agent shall send a copy of the communication to the Issuer.
- 20.2 Should the Issuer want to replace the Agent, it may send a communication in accordance with Clause 20.1 to each Bondholder with a copy to the Agent.
- 20.3 A communication pursuant to Clause 20.1 shall include (a) each request for a decision by the Bondholders, (b) a description of the reasons for each request, (c) a specification of the Business Day on which a Person must be registered as a Bondholder in order to be entitled to exercise voting rights (such Business Day not to fall earlier than the effective date of the communication pursuant to Clause 20.1), (d) instructions and directions on where to receive a form for replying to the request (such form to include an option to vote yes or no for each request) as well as a form of power of attorney, and (e) the stipulated time period within which the Bondholder must reply to the request (such time period to last at least ten (10) Business Days but not more than twenty (20) Business Days from the communication pursuant to Clause 20.1). If the voting shall be made electronically, instructions for such voting shall be included in the communication.

- 20.4 If the Agent, in breach of these Terms and Conditions, has not instigated a Written Procedure within five (5) Business Days after having received such notice, the requesting Person may instigate a Written Procedure itself. If the requesting Person is a Bondholder, the Issuer shall upon request from such Bondholder provide the Bondholder with necessary information from the register kept by the CSD.
- 20.5 When the requisite majority consents of the Adjusted Nominal Amount pursuant to Clauses 18.5 and 18.6 have been received in a Written Procedure, the relevant decision shall be deemed to be adopted pursuant to Clause 18.5 or 18.6, as the case may be, even if the time period for replies in the Written Procedure has not yet expired.

21. AMENDMENTS AND WAIVERS

- 21.1 The Issuer and the Agent and/or the Security Agent (as applicable) (in each case acting on behalf of the Bondholders) may agree to amend the Finance Documents or waive any provision in the Finance Documents, provided that:
- (a) the Agent and/or the Security Agent (as applicable) is satisfied that such amendment or waiver is not detrimental to the interest of the Bondholders, or is made solely for the purpose of rectifying obvious errors and mistakes;
 - (b) the Agent and/or the Security Agent (as applicable) is satisfied that such amendment or waiver is required by applicable law, a court ruling or a decision by a relevant authority;
 - (c) such amendment or waiver is necessary for the purpose of having the Bonds listed or admitted to trading on a Regulated Market, provided that the Agent and/or the Security Agent is satisfied that such amendment or waiver does not materially adversely affect the rights of the Bondholders; or
 - (d) such amendment or waiver has been duly approved by the Bondholders in accordance with Clause 18 (*Decisions by Bondholders*).
- 21.2 The consent of the Bondholders is not necessary to approve the particular form of any amendment or waiver to the Finance Documents. It is sufficient if such consent approves the substance of the amendment or waiver.
- 21.3 The Agent shall promptly notify the Bondholders of any amendments or waivers made in accordance with Clause 21.1, setting out the date from which the amendment or waiver will be effective, and ensure that any amendments to the Finance Documents are available on the websites of the Issuer and the Agent. The Issuer shall ensure that any amendments to the Finance Documents are duly registered with the CSD and each other relevant organisation or authority.
- 21.4 An amendment or waiver to the Finance Documents shall take effect on the date determined by the Bondholders Meeting, in the Written Procedure or by the Agent, as the case may be.

22. APPOINTMENT AND REPLACEMENT OF THE AGENT AND THE SECURITY AGENT

22.1 Appointment of the Agent and the Security Agent

22.1.1 By subscribing for Bonds, each initial Bondholder:

- (a) appoints the Agent and the Security Agent to act as its agent and security agent (as applicable) in all matters relating to the Bonds and the Finance Documents, and authorises each of the Agent and the Security Agent to act on its behalf (without first having to obtain its consent, unless such consent is specifically required by these Terms and Conditions) in any legal or arbitration proceedings relating to the Bonds held by such Bondholder, including the winding-up, dissolution, liquidation, company reorganisation (Sw. *företagsrekonstruktion*), or bankruptcy (Sw. *konkurs*) (or its equivalent in any other jurisdiction) of the Issuer including, for the avoidance of doubt, any legal or arbitration proceeding relating to the perfection, preservation, protection or enforcement of the Transaction Security; and
- (b) confirms the appointment of the Security Agent to act as its agent (including, without limitations, as Belgian Security Representative) in all matters relating to the Transaction Security and the Transaction Security Documents, including any legal or arbitration proceeding relating to the perfection, preservation, protection or enforcement of the Transaction Security.

22.1.3 Each Bondholder shall immediately upon request provide the Agent and the Security Agent with any such documents, including a written power of attorney (in form and substance satisfactory to the Agent or the Security Agent, as applicable), as the Agent or the Security Agent (as applicable) deems necessary for the purpose of exercising its rights and/or carrying out its duties under the Finance Documents. Neither the Agent nor the Security Agent is under no obligation to represent a Bondholder which does not comply with such request.

22.1.4 The Issuer shall promptly upon request provide the Agent and the Security Agent with any documents and other assistance (in form and substance satisfactory to the Agent or the Security Agent, as applicable), that the Agent deems necessary for the purpose of exercising its rights and/or carrying out its duties under the Finance Documents.

22.1.5 Each of the Agent and the Security Agent is entitled to fees for its work and to be indemnified for costs, losses and liabilities on the terms set out in the Finance Documents and the Agent's and the Security Agent's respective obligations as agent and security agent (as applicable) under the Finance Documents are conditioned upon the due payment of such fees and indemnifications.

22.1.6 Each of the Agent and the Security Agent may act as agent and/or security agent for several issues of securities issued by or relating to the Issuer and other Group Companies notwithstanding potential conflicts of interest.

22.2 **Appointment of the Security Agent under articles 2488 et seq. of the French Civil Code**

22.2.1 Without limiting any other right and obligation of the Security Agent under this Agreement, this Clause 22.2 shall apply in relation to the French law governed Transaction Security Documents and the French law governed Transaction Security.

22.2.2 Each Secured Party (other than the Security Agent):

- (a) irrevocably and unconditionally appoints the Security Agent to act as security agent (*agent des sûretés*) pursuant to articles 2488-6 and following of the French Civil Code (Fr. *Code Civil*) in respect of the French law governed Transaction Security;
- (b) irrevocably authorises, empowers and directs the Security Agent (by itself or by such person(s) as it may nominate) acting in such capacity within the meaning of article 2488-6 of the French Civil Code, without limitation and notwithstanding any other rights conferred upon the Security Agent under this Agreement to:
 - (i) take, register, manage and enforce any French law governed Transaction Security in the name of the Security Agent for the benefit of (*au profit de*) such Secured Party;
 - (ii) negotiate and execute, in its name and for the benefit of the Secured Parties, the French law governed Transaction Security Documents (and any ancillary document in connection therewith);

 - (v) take any action and exercise any right, power, prerogative and discretion upon the terms and conditions set out in this Agreement or under or in connection with the French law governed Transaction Security Documents and more generally to take any action to protect the rights of the Secured Parties under or in connection with any French law governed Transaction Security, in each case together with any other right, power, prerogative and discretion which are incidental thereto; and
- (c) confirms that the appointment of the Security Agent under this Clause 22.2 shall remain in full force and effect until the occurrence of the date on which all Secured Obligations have been unconditionally and irrevocably paid and discharged in full.

22.2.3 The Security Agent:

- (a) accepts its appointment as security agent (*agent des sûretés*) pursuant to this Clause 22 for so long as this Agreement is in force or any French law governed Transaction Security Document or claim in respect thereof exists;
- (b) declares that it holds in its own name the French law governed Transaction Security created or expressed to be created pursuant to the French law governed Transaction Security Documents in its capacity as security agent (*agent des sûretés*); and

- (d) in each case, in accordance with articles 2488-6 and following of the French Civil Code and the provisions of this Agreement and accordingly any action taken by the Security Agent in connection with or for the purposes of the French law governed Transaction Security and the French law governed Transaction Security Documents in accordance with this Agreement and the French law governed Transaction Security Documents shall be deemed to be taken by the Security Agent acting as security agent (*agent des sûretés*) in its own name and for the benefit of the Secured Parties.

22.2.4 Each other Secured Party acknowledges that (i) the Security Agent (acting in such capacity) shall not be liable on its own estate (*patrimoine propre*) for the payment of any *soulte* that would be payable to a Obligor as a result of the enforcement of Security created pursuant to a French law governed Transaction Security Document and (ii) the payment of any sums in respect of a *soulte* (if any) shall be borne by each other Secured Party in accordance with this Agreement.

22.2.5 To the fullest extent permitted by law, the Security Agent appointed pursuant to this Clause 22 shall be entitled to exercise all rights and benefit from all protections conferred upon the Security Agent under this Agreement or any other Finance Document.

22.2.6 Any change of Security Agent appointed pursuant to this Clause 22 shall be made in accordance with Clause 22.5 (*Replacement of the Agent and the Security Agent*) of this Agreement (Fr. *remplacement conventionnel*) or article 2488-11 of the French Civil Code (*remplacement judiciaire*).

22.2.7 With respect to any French law governed Transaction Security Document, any reference in this Agreement to the Security Agent acting as agent shall be deemed to include a reference to the Security Agent acting as agent des sûretés as referred to in this Clause 22.

22.2.8 Notwithstanding any other provision of this Agreement to the contrary, this Clause 22.2, insofar as they relate to the French law governed Transaction Security Document and the role of the Security Agent in respect thereof, shall be governed by French law.

22.3 **Duties of the Agent and the Security Agent**

22.3.1 Each of the Agent and the Security Agent shall represent the Bondholders in accordance with the Finance Documents, including, *inter alia*, holding the Transaction Security pursuant to the Transaction Security Documents on behalf of the Secured Parties and, where relevant, enforcing the Transaction Security on behalf of the Bondholders. Neither the Agent nor the Security Agent is responsible for the contents, execution, legal validity or enforceability of the Finance

- 22.3.2 Neither the Agent nor the Security Agent is obliged to actively assess or monitor (i) the financial condition of the Issuer or any Group Company, (ii) the compliance by the Issuer of the Finance Documents (unless expressly set out in the Finance Documents) or (iii) whether an Event of Default (or any event that may lead to an Event of Default) has occurred or not. Until it has actual knowledge to the contrary, each of the Agent and the Security Agent is entitled to assume that no Event of Default has occurred.
- 22.3.3 Each of the Agent and the Security Agent may assume that any information, documentation and evidence delivered to it is accurate, legally valid, enforceable, correct, true and complete unless it has actual knowledge to the contrary, and neither the Agent nor the Security Agent have to verify or assess the contents of any such information, documentation or evidence. Neither the Agent nor the Security Agent review any information, documents and evidence from a legal or commercial perspective of the Bondholders.
- 22.3.4 The Agent shall upon request by a Bondholder disclose the identity of any other Bondholder who has consented to the Agent in doing so.
- 22.3.5 When acting in accordance with the Finance Documents, each of the Agent and the Security Agent is always acting with binding effect on behalf of the Bondholders. Each of the Agent and the Security Agent shall carry out its duties under the Finance Documents in a reasonable, proficient and professional manner, with reasonable care and skill.
- 22.3.6 Each of the Agent and the Security Agent is entitled to delegate its duties to other professional parties, but each of them shall remain liable for the actions of such parties under the Finance Documents.
- 22.3.7 Each of the Agent and the Security Agent shall treat all Bondholders equally and, when acting pursuant to the Finance Documents, act with regard only to the interests of the Bondholders and shall not be required to have regard to the interests or to act upon or comply with any direction or request of any other Person, other than as explicitly stated in the Finance Documents.
- 22.3.8 The Agent shall be entitled to disclose to the Bondholders any event or circumstance directly or indirectly relating to the Issuer or the Bonds. - 22.5.6 The Agent's and the Security Agent's resignation or dismissal shall only take effect upon the appointment of a successor Agent and/or successor Security Agent (as applicable) and acceptance by such successor Agent and/or successor Security Agent of such appointment and the execution of all necessary documentation to effectively substitute the retiring Agent and/or the retiring Security Agent (as applicable).
- 22.5.7 Upon the appointment of a successor, the retiring Agent and/or the retiring Security Agent shall be discharged from any further obligation in respect of the Finance Documents but shall remain entitled to the benefit of the Finance Documents and remain liable under the Finance Documents in respect of any action which it took or failed to take whilst acting as Agent and/or Security Agent (as applicable). Its successor, the Issuer and each of the Bondholders shall have the same rights and obligations amongst themselves under the Finance Documents as they would have had if such successor had been the original Agent and/or Security Agent.
